APPLICANT DATE

- All pre-owned homes or mobile homes moved into or within Rudyard Township must be inspected by the township prior to a building permit being issued.
- All applicants shall list known wells on property, and shall notify the township in the event a new well is drilled. Applicants agree to plug all wells not in use.
- This application must include a detailed drawing on the back indicating setbacks and directions to site, together with application fee.
- Rudyard Township recommends that all parcels be surveyed.
- Parcels of 10 acres or less will be staked on four corners prior to a Zoning Compliance Site Plan application approval.
- Rudyard Township is not responsible for errors in setbacks or deeds.
