(d) Income greater than what is stated above, per household size, will result in a denial of the poverty exemption.

(e) Meeting the income levels above, but failing the asset portion of the exemption, will result in a denial of the poverty exemption.

(f) The denial of a hardship exemption application may be appealed to the Michigan Tax Tribunal.

WHEREAS, the township board resolves to permit a principal residence exempt for the first time from the collection of taxes under this section in tax year **2024** to remain exempt under this section for up to 3 additional years after its initial year of exempt status without subsequent reapplication for the exemption, provided there has not been a change in ownership or occupancy status of the person eligible for exemption and if the person who establishes initial eligibility receives a fixed income solely from public assistance that is not subject to significant annual increases beyond the rate of inflation, such as federal Supplemental Security Income or Social Security disability or retirement benefits.

WHEREAS, both of the following apply to a person who obtains an extended exemption:

(a) The person shall file with the local assessing unit, in a form and manner prescribed by the state tax commission, an affidavit rescinding the exemption as extended under this subsection within 45 days after either of the following, if applicable:

(i) The person ceases to own or occupy the principal residence for which the exemption was extended.

(ii) The person experiences a change in household assets or income that defeats eligibility for the exemption.

(b) If the person fails to file a rescission as required and the property is later determined to be ineligible for the exemption, the person is subject to repayment of any additional taxes with interest.

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Township Assessor and Board of Review shall follow the above stated policy and federal guidelines in granting, extending, or denying an exemption.
